Why do we need your consent?

St Thomas More Catholic Primary requests the consent of parents when they join the school to use images and videos of their child for a variety of different purposes.

Without your consent, the school will not use images and videos of your child. Similarly, if there are only certain conditions under which you would like images and videos of your child to be used, the school will abide by the conditions you outline in this form.

Why do we use images and videos of your child?

St Thomas More Catholic Primary uses images and videos of pupils as part of school displays to celebrate school life and pupils' achievements; to promote the school on social media and on the school's website; and for other publicity purposes in printed publications, such as newspapers.

Where the school uses images of individual pupils, the name of the pupil **will not** be disclosed. Where an individual pupil is named in a written publication, a photograph of the pupil **will not** be used to accompany the text.

If, for example, a pupil has won an award and their parent would like their name to be published alongside their image, **separate consent** will be obtained prior to this.

St Thomas More Catholic Primary may take images or videos of individual pupils and groups of pupils to use on social media, the school website, in school prospectuses and other printed publications, such as a newsletter. If the school wishes to use images for any other purposes than those stated in this document, additional consent will be sought.

The following organisations may use images and videos of your children:

- Evening Telegraph
- The Vine Catholic newspaper

Where any organisations other than those above intend to use images or videos of your child, **additional consent** will be sought before any image or video is used.
