

Year 3 – Autumn term topic homework

Under the sea'

For our topic homework this term, the children are invited to get imaginative and artistic by creating

Choose a specific area of the sea that you would like to re-create.

You could use:

- Decorative, recycled and found materials;
- Old photographs;
- Drawing materials;
- Natural materials such as shells, seaweed, pebbles and sand;
- Small fish or related objects;
- Any other things you like!

Here are a few photographs to inspire you; there are many more online.

This task needs to be completed by Monday 16th November; please come and see us if you have any questions. We look forward to sharing their projects with the rest of the class.
